

Caroline Jasper

POWERCOLOR PAINTING

5 Day Hands-On Workshop for All Levels

Way beyond the basics...this workshop will change the way you see, think, and paint! How far can you go in days? Forget the "rules" and refine your personal vision for painting. Empower your palette and say "good-bye" to muddy colors. Color communicates. Awaken its emotive power in your paintings. Dramatize without over-working! Give life to layers of distance in your images by manipulating color-value, lighting and illusion for dynamic depth. Learn Caroline Jasper's way of painting on red canvas. Advanced color instruction. New paintings each day. Take home a head full of color theory master-concepts and your own inspired paintings.

PAINTING MEDIA NOTE:

Oils will be emphasized. However acrylics are accepted. Concepts apply to any opaque medium.
