2009 Schedule

ADVANCED OPEN WATER

Required: Jr. Open, Open, 12 yrs of age or older. Mask, snorkel, fins, boots, mouthpiece kit w/ weight belt, signaling device (whistle, safety sausage, or mirror), u/w light, cylume stick or equivalent and diver tool (aka knife).

Provided: Advanced Crew Pak, Wheel and PIC card. Use of our training/ rental BCD's, weights, regulator system, wetsuits if they fit. We have a limited number of 6.5mm 7mm suits & hoods for cold water. *You* may need to rent your size at the dive destination.

The PADI Advanced Open Water Course is designed to improve your diving skills in the required Navigation, Deep dives and three assorted specialty adventure dives under the supervision of an Instructor. It also introduces you to the ERDP and Diving with a computer.

Two class sessions are needed to review the five adventure dives selected for your course, ERDP, Computer and dry run Navigation skills.

Five Open Water dives will be completed at Catalina Island California (off the coast of Los Angeles), San Diego, Calif. or San Carlos, Mexico.

The Advanced Course fee **DOES NOT** include Certification trip expenses.

Certification trip fees will be different depending on Certification location. DQS provides transportation, motel, beach and boat dives for a nominal fee. Meals and boat crew tips are at your expense.

We certify at Ocean locations to give you a **real dive** experience.
