

# Paws for Tails A Waggin'

## Next Meeting Reminder

We will have a general membership meeting on **Thursday January 4** at 7:00 pm at St. Andrews Episcopal Church (518 Alameda Blvd., 526-6333). We will be meeting in the choir room, which is in the northeast corner of the building, near Mountain Street, and has the tallest roof. Parking is available right outside the door. Dogs on leash are welcome! **This is a really important meeting for everyone to attend, as it is our last**

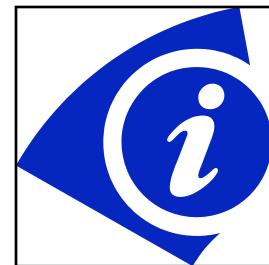

**meeting before the DOCLC Obedience Trials on January 13-14.** We have several jobs that need to be filled, and we need you to help out! Your response for the agility trials in December was tremendous (see below), and hopefully we can continue our tradition of excellence when it comes to putting on local dog events. If you cannot attend the January meeting but you'd like to help out at the agility trials, please contact Marjorie Henson.

## Winter Classes Update

We have had a great response to our winter class offerings. We are currently offering one section of Beginning Obedience on Tuesday nights, taught by Nick Voges and assisted by Kim Fuqua. We will offer a puppy class on Mondays (taught by Shannon

Murray) as well as an Intermediate class on Mondays (taught by Julie Goodrich). If needed, we may add a second Beginning section on Monday evening. Classes will begin on January 8.

## Agility Trial Thanks

Once again, our December agility trials were a huge success. Although our entries were not as high as they have been in years past, the “feel” of the trial was just so pleasant! Several exhibitors commented that ours is their all-time favorite AKC trial in the area, and they arrange their calendars so that they never miss it! A **HUGE** thanks go to:

- Brian Owen, our Trial Secretary who handled the entries, scoring, placements, and AKC recording flawlessly and professionally (I also heard several exhibitors comment that they *love* Brian’s score-keeping!)

- Pam Smith, our Trial Chair who managed all logistics from vendors, porta-potties, and ring location to judge procurement, equipment maintenance, and workers

- **ALL volunteers** from within the Club as well as outside who gave up part or all of their weekend to work at our trial and ensure that it was successful.

Thanks again, everyone!
