Likrat Shabat no video:

~ Circle, walk L 7 steps, on 8 face center; walk into center 3 steps and hold, raising candles up, back out; repeat entire sequence from beginning.

~ Walk in 4 small steps, turn L and face out, step to R and bend knees, step to L and bend knees; same sequence while facing out – walk 4 little steps, turn L and face in, raise arms/candles up in place; Repeat entire dance, except, instead of walking 7 steps to left in the circle, you walk around a “man hole” behind yourself and on 8th step back to face center. Dance continues from here. Entire dance repeats.

Excellent teach and dance

Niguno Shel Yossi We do part 2 like Zemer Atik begins, with zoom position left hand on L shoulder of person in front. We do NOT do it as a mixer.

(no video available as we do it. Here is a video showing the very common mixer version so you can be familiar with the music at least.)
