## HUNTER/JUMPER NEWS

2009 was another great year for the Hunter/Jumper division and with great weather this time! Thanks to everyone for working, showing, and supporting. These shows could not be done without everyone working together! I would like to give a special thanks to everyone who stepped up and covered for me this year while I was taking care of my mom: Yvonne and her group for setting up jumps at a couple of the shows when I couldn't and covering the March show when I couldn't be there at all. Nancy, Kay, Erin, Pat, Bill, all of our judges, and everyone else who helped set jumps, open gates, hand out ribbons, take jumps out, and all of the many other jobs that need to be done, THANK YOU! Thanks also to all of the trainers, riders, parents, families and friends for coming to the shows. You all helped make the show season a great one! Dates for next year's shows and year end results will be posted on the web site soon; I will also send them out by email. Thanks again for another great year!

See you at the shows!  
Denise
