Camp of the Tall Pines is located in the heart of the Sacramento National Forest. There are ten cabins for rent from the Camp of the Tall Pine on a first come first serve basis. There is ample space for tents and trailers. There are showers and restroom facilities. No early birds, check-ins start Friday at noon per Camp Tall Pines management. All of this is "smack dab" in the middle of some of the most beautiful forest on the planet. Best of all, access to these amenities for you and your family (even the non-shooters!) is included in the shooting fees.
