

Organ Mountain Bowmen Newsletter

April 2003

Meetings

Monthly meetings were held at 7:00 p.m. on the first Tuesday of each month at the Game & Fish Department on N. Telshor Drive in Las Cruces. As always, new faces and ideas are welcomed and encouraged! The next meeting will be on Tuesday, May 5th at 7:00 p.m.

Annual Indoor Leagues

The club sponsored a Fall and a Winter Indoor League in October 2002 and January 2003, respectively. The Fall league was a mixed league, with Indoor, Freeman, Vegas and 3-D rounds, while the Winter league was a straight Indoor league. These leagues were both full, and everyone had a great time. Congratulations to all of the top finishers, and thanks to everyone for your support. Final standings for the Winter League can be found by going to www.zianet.com/omb/2003indoor.pdf.

Indoor 3-D Shoot

In an effort to raise a little additional money for the club, we are sponsoring an Indoor 3-D shoot in Rentfrow Gym (NMSU campus) on Friday, May 9th at 7:00 p.m. Only preregistrations will be accepted for this shoot, so if you didn't get a flyer, you can go to the OMB website (www.zianet.com/omb) and download one, or call 527-4529. Preregistrations must be postmarked by 5/6/03.

12th Annual Thunderbird 3-D Open

The 12th Annual Thunderbird 3-D Open is scheduled for June 21-22, 2003. Even though this shoot is still over two months away, it'll be here before you know it! As always, we are lookin' for volunteers to help us set up the shooting courses (we'll be doing this on Friday, June 20) as well as donations for prize drawings. If you can help in either of these areas, please send e-mail to omb@zianet.com or call 527-4529.

Flyers/registration forms for this shoot will be mailed in late April or early May, and will also be downloadable from the OMB website. As always, preregistration discounts will apply, but OMB club members will pay the preregistration rate, regardless of when they register.

We hope you can join us for this fun-filled weekend!

Bowhunter Education

A local Bowhunter Education effort is underway here in Las Cruces. Whether you're an adult or a youngster, if you are interested in bowhunting or even if you already bowhunt, you're sure to learn something new by attending a workshop or class! Currently, this group is looking folks who are interested in becoming certified instructors. So, if you are interested in being a teacher OR a student, please call Russell at 524-8112.

Happy Easter!
