

DO-IT-YOURSELF ZOMBIE BADGE

1. Print out this sheet on a color printer, preferably on semi-gloss heavy paper.
2. Cut out badge with scissors *just inside of dotted lines*
3. Fold badge in two where shown for Zombie badge on one side, Area 51 badge on the other.
4. Fill in your Zombie Number if you have one.
5. For best results, have badge laminated at Kinkos, etc. They can also punch a hole at top of badge for an "alligator clip" shirt clip.
6. Wear Zombie badge at QRP gatherings, hamfests, club meetings, Zombie Shuffles, etc..
7. Wear Area 51 badge to your annual appraisal, company picnics, arraignment hearings, DWI roadblocks, etc..

FOR THE EXCLUSIVE USE BY QRPers

Another free quality product from NA5N (well, mostly free) for QRP-L members. If you got this from any place other than the QRPTTF/Zombie Shuffle website or the QRP-L list, it was ripped off the internet and being used illegally. You should feel really crummy about that.

Enjoy, Paul NA5N na5n@zianet.com
